Hi Fitz,

Hope you had a nice weekend! Below is the agenda and attached is the updated talking points with information about how people can provide feedback on the NAM Work Plan. Please let us know if you have additional feedback.

- Opening Remarks
  - Alexandra Dapolito Dunn, Assistant Administrator of EPA's Office of Chemical Safety and Pollution Prevention
  - Dr. Jennifer Orme-Zavaleta, Principal Deputy Assistant Administrator of EPA's Office of Research and Development
- Summary of EPA's Work Plan – Dr. Russell Thomas, Director of EPA's Center for Computational Toxicology and Exposure
- Closing Remarks – David Dunlap, Deputy Assistant Administrator for Science Policy in EPA's Office of Research and Development

Hey Monica,

Thanks for sending over. Couple questions:

Can you send over the meeting Agenda?

**Ex. 5 Deliberative Process (DP)**

Thanks!

Fitz

Hi Pradnya and Fitz,

I've been communicating with OCSPP regarding everyone's talking points for Monday's NAM webinar. Attached is a document with the current version of Alex's, Jennifer's and David's remarks. I had shared talking points with you for Jennifer already but thought it would be helpful for you to see all of the talking points together. Hope you both are having a great week!

Monica
